Equity Dashboard Development

Using JJ administrative and publicly available data, an “equity dashboard monitors/compares system involvement for youth of different races/ethnicities in specific ways, based on current system disparities, that is shared and discussed with the JJPOC’s Racial and Ethnic Disparities Working Group to inform ongoing system improvement efforts.”

- IO Youth Policy and Practice Recommendations, July 2020

Key project components:

Dashboard design

- Design development driven by JJPOC working group.
- Key participants include representatives from:
 - The Racial and Ethnic Disparities Workgroup
 - Cross-Agency Datasharing Workgroup
 - Court Support Services Division (CSSD), Judicial Branch
 - Criminal Justice Policy & Planning Division, Office of Policy & Management (OPM)

Technical Implementation

- Technical implementation supported by cross-branch agency collaboration.
- [Court Support Services Division](#) of the Judicial branch will supervise the data extraction
 - OPM’s [Criminal Justice Policy & Planning Division](#) will administer the transfer, review and incorporation of data into the tool.
 - OPM’s [Data and Policy Analytics](#) unit, administrators of [Open Data](#), will provide technical advice and implementation support for the public facing tool.

Equity Dashboard: Dashboard Design

Key 2021 highlights:

- *Jan-February:* Workgroup identifies potential metrics and sources of data to populate tool
- *Feb-March:* Workgroup prioritizes metrics for inclusion in initial tool development
- *March-April:* CSSD develops sample data structure and mock data to inform design considerations
- *May-August:* OPM reviews similar public dashboard tools within Connecticut and across the U.S. to inform tool design
- *July-September:* OPM develops static mock-ups of potential dashboard components for workgroup consideration
- *October:* Working group reviews initial mock-ups and discusses further design considerations.

Equity Dashboard: Technical Implementation

Key 2021 highlights:

- *Jan-March:* CSSD develops metric data structure and sample mock data.
- *Feb-April:* OPM submits grant application to BJS to support technical implementation.
- *May-Present:* CSSD developing processes to extract, review and validate dashboard metric data.
- *Oct-November:* BJS awards OPM grant funding shared across CJPPD, CSSD, and DAPA to support first year dashboard technical needs.

Draft Equity Dashboard data flow – Phase 1 metrics

Equity Dashboard Development

Next steps Dec. 2021-2022:

Dashboard Design

- Revise mock-ups based on work group feedback.
- Utilize static draft data metrics to develop draft dashboard design
- Present draft dashboard design to work group
- Revise design based on work group feedback.
- Present dashboard tool review & revised design to workgroups:
 - Cross-Agency Datasharing
 - Racial & Ethnic Disparities

Technical Implementation

- Grant award planning meeting with CJPPD, CSSD, and DAPA.
- CSSD to develop draft static dataset of Phase 1 metric data for tool development.
- CJPPD and CSSD development of a data quality assessment, emphasizing data considerations important to tool development.
- CJPPD and DAPA identification of OPM technical needs and other resources necessary to support tool development and implementation.
