*One Team, One Community:
Enhancing the Health and Wellness
of Children and Families*

June 5th & June 6th
8:30 a.m. to 12:30 p.m.

The 7th Annual Statewide Care Coordination Forum, hosted by the **Connecticut Children's Center for Care Coordination**, convenes professionals from all sectors who work with children and families to learn from experts and exchange ideas. We aim to organize coordinators from all areas: healthcare, community-based agencies, education, behavioral health, and more, to provide an effective and comprehensive care coordination system. The Forum will be held over two half-days, and attendees have the opportunity to:

- Learn about the latest trends, challenges, and tools in care coordination
- Increase professional development and enhance network
- Participate in diverse learning presentations

LEARNING OBJECTIVES:

- Create inter-agency collaborations and programmatic partnerships across various sectors to connect effectively
- Increase cross-sector knowledge and understanding of care coordination services to effectively "connect the dots"
- Address Social Drivers of Health and improve outcomes for high-risk patients with a more complete view
- Increase access to secure medical, developmental, and mental health/behavioral health services for children and their families
- Build a comprehensive integrated system for children and families to optimize children's health and wellness

Target Audience: Care Coordinators, Nurses, Social Workers, Providers, Community and State Agencies, School Professionals, Community Health Workers, and Families
